A SUNDAY REFLECTION

THE FEAR IS ALWAYS THERE!

A few years ago there was a Wrestling programme over TV. It would always start with the slogan, 'The fear is always there!' Many of us, as we grow older, would be able to identify with these words... we are always filled with fear – fear of being alone, fear of something bad happening & we are unable to prevent it, fear of sickness of one kind or another, fear of death & the kind of death we have to go through. This fear is no joke! If we spend too much time thinking about these fears of ours, we might become paranoid. We need to look at each of our fears – look well & need to see that they are only IN THE FUTURE! I can decide to be at ease, to be relaxed, to be free NOW... prepare a bit for tomorrow but be relaxed, be happy NOW! Ask the Lord to help you to see. (borrowed from a book...God Bless)
