A SUNDAY REFLECTION

by Fr. Marshall

This is a good time to begin our Passion for politics - not political parties. In Genesis (1:18) we see God giving stewardship over Creation to mankind. We are the 'chosen ones' the Disciples of Christ & His Kingdom - we have been given his Light, His Divine Word & also His Spirit to help us. We are the most responsible Guardians of our universe. We could start with our little island of Penang & spread outwards. Know who your Parliamentary & State Reps are. Perhaps we could start a log book on each one.

Find out their addresses & addresses of their service-centers. First of all send a note / email / Card of congratulations. Tell them as long as they are doing good for their ward, town, State etc we will support them... then continue to monitor them, their services & attendances at Parliamentary / State meetings etc. We need to keep the connection with each alive & current. We come from different zones (BEC) & different wards (Daerahs). We could work along either one...God Bless.
