A SUNDAY REFLECTION

SHARE WHAT YOU HAVE... (contributed by a parishioner who walks the talk)

Do what you can, with what you have, in the time you have, in the place where you are. Figure out the gifts you have received from our Heavenly Father use them to help others, to nurture your own lives and faith, and to give glory to God.

You may not be able to write and deliver a speech before millions. Very few could. But maybe you have a kind heart and a sympathetic ear, making you the perfect friend for a person who just needs someone to listen. Remember, it is not about how large your contribution is, but it is about what you do with what you have. Uncover those gifts and make use of them. If we do well with the little things God has given us, He will give us bigger and better things to do. Are you up to God's challenge ?... ✠
